

Your MassHealth benefits:

Support to help you quit smoking, vaping, or using other tobacco or nicotine products

Free quit medicines

Quit medicines can help you with cravings. MassHealth covers these medicines with a prescription:

- ✓ Nicotine patch
- ✓ Nicotine gum
- ✓ Nicotine lozenge
- ✓ Pills (bupropion or varenicline)

Free support from a quit coach

Quit coaches are trained experts who provide personalized support. Your health care provider, health center, or local support groups may provide coaching.

**Using quit medicines or coaching support
can double your chances of quitting for good!**

Ask your health care provider for more information about these benefits.

Questions about your MassHealth benefit?

Call MassHealth Customer Service at 1-800-841-2900.

Most people try a few times before they quit for good.
MassHealth lets you try as many times as you need.
